Accordingly Delhi Administration has identified some sites for hotels which will be allotted by them to entrepreneurs. These sites are likely to be located in different parts of Delhi. The date of completion of the hotels will depend on the action plan of the promoters

(d) and (e) The Akbar Hotels building was handed over to the Ministry of External Affairs in April 1986 for use as office space. A request was made to them for transfer of the building back to ITDC for operating it as a hotel. But this request has not been agreed to.

Breast fed Infants

3267. SHRI SHAMIM HASHMI: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what is the estimated population of Infants exclusively breast fed in the country;

(b) whether it is a fact that in many countries, the position is far superior in this regard, as per UNICEF Report of 1988; and

(c) whether Government have any specific plans for improvement of this situation?

THE MINISTER OF STATE IN THE DEPARTMENTS OF YOUTH AFFAIRS AND SPORTS AND WOMEN AND CHILD DEVELOPMENT IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI MARGARET ALVA): (a) No country-wide estimate of infants exclusively breast fed, is available.

(b) The UNCIEF report 1988 does not contain information on breast fed infants in India. However, as per UNICEF report, 1986, the precentage of mothers breast feeding is more in developing countries than in the developed countries.

(c) Government of India has adopted the Indian National Code for Protection and Promotion of Breast Feeding in 1983. The infant Milk Foods and Feeding Bottles (Regulation of Production, Supply and Distribution) Bill, 1986, which seeks to protect and promote breast feeding has been passed by the Rajya Sabha Further action is being taken to get the Bill passed in the current session of Parliament.

Through the ICDS programme, the nursing and expectant mothers are encouraged to prolong breast feeding. The Health Ministry's "Manual of Health Workers", stresses the importance of breast feeding, and education on breast-feeding is provided to mothers by the health workers.
